## OTHER PROFESSIONAL EXPERIENCE:

Founder/President of a non-profit mentoring organization in Jacksonville, Florida called "Bridge Builders United, Inc." aimed at mentoring young men and helping them reach their college and career goal potential. Through this organization, I have organized health fairs, college tours, toy drives, scholarship banquets and steered efforts for our young men to develop and become law abiding citizens who gives back to their community while learning about Manhood, Improving their Academics, becoming leaders and achieving excellence.

Doctoral Defense: Urban African American Male Graduation Rates: A Qualitative Study of Teachers and African American Males.
